Ms. Tricia Sutton

Sutton Enterprises

Dear Tricia,

I would like to take this opportunity to thank you and Lance Welter for all of the hard work and contributions that Sutton Enterprises has made toward developing the Request for Proposal process for the Affordable Housing Accreditation Board. Your professional expertise made the defining process manageable and comprehensive for me. Walking me through step by step in layman's terms alleviated my concerns that I would be outside of my expertise area with all of the "techno speak" required to thoroughly build the RFP and present the full breadth of the software tool I sought for an Accreditation Management System. I enjoyed working with you and look forward to future opportunities to collaborate.

Warm regards,
